PCB plug-in base

84-920

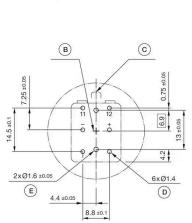

https://www.eao.com/p/84-920

Your product:

84-920 PCB plug-in base

MECHANICAL CHARATERISTIC		
Terminal:	PCB terminal	
Weight:	0.003 kg	
OTHER		
Short Description:	PCB plug-in base, 20.3 mm x 15.8 mm x 8.3 mm, Metal / plastic, PCB terminal, Axial	
Titel Accessory:	PCB plug-in base	
Dimension:	20.3 mm x 15.8 mm x 8.3 mm	
Material:	Metal / plastic	
Product attributes:	For Emergency stop switch, stop switch	
Pins:	Axial	
Suitable for connection:	Plug-in terminal	
Component layouts:	A	A = Drilling plan (component side) B = Centre from switch C = Anti-twist protection

- D = Pins for contacts/LED E = Positioning hole
